## IN THE UNITED STATES PATENT AND TRADEMARK OFFICE FOR

Application: 10/766727

Filing Date: 27 January 2004

Title: Capacitor With Battery Form Factor

Docket: M101US

### **Request For Status of Patent Application under 37 CFR 1.14**

In the above identified, please verify filing status, filing date, and present status.

I am the Patent Agent of Record Reg. # 37,961 and filed the Application on behalf of Maxwell Technologies, Inc. on 27 January 2004.

As of 27 May 2004, other than the return postcard (copy attached), I have not received any communication from the USPTO regarding the above identified Application.

This Application was filed without inventors signature on the Declaration and POA that was provided with the Application, thus, we are awaiting a Notice of Missing Parts.
